Dear Mr. Jacobs,

I am fine and hope you, your dad, and the entire staff are likewise. I am now on another new assignment. I am now with the Finance Division of Allied Military Post. Located in the office of the Chief Accountant, and boy, I'm showing accounts to the staff. I am in a beautiful city, somewhat in Italy, and tell Prof. Richards that there are many beautiful girls here, but very few cigars. My Virginia (caption above me) is John the Harbor Master here, go Bryant's staff carrying on famously. John Doo Doughty from Fall River is with 45th Army Group in the Intelligence Section. I'll locate a few more Bryant grads I'll hold a reunion. What a meet around Bryant and Providence?

During my tour of duty in Africa, I had the good fortune of being able to visit every city of consequence, and now that I meet you, you can be assured of many lengthy talks. Send my love to your dad, Mr. Allen, Prof. Richards, and the rest. I'll be back in Providence and the rest very soon. Yours, Nat. H.
